WORK EXPERIENCE

Front-End Developer - Web Developer

[14 Sep 2016 – Current]

City: Arad/Timisoara | **Country:** Romania

- I am fluent in HTML, CSS, JS, and PHP to create and develop websites.
- I am studying software engineering at Schellhammer Business School in Spain and economic informatics at the West University of Timisoara.
- I got accepted by Yale University to study computer science, but unfortunately, I couldn't go.
- I have been working with people who started their new businesses and needed websites, so I created their personalized sites as a freelancer in exchange for a small amount of money.
- I got my first job offer as a web developer after finishing high school, working for Continental.
- I graduated with a course in Game Development from LogiSchool. Also, an online course provided by Michigan State University, taught by Professor Brian Winn, called "Introduction in Game Development" (using C# as our primary programming language) with certified diplomas.
- I am certified in computer programming, computer systems and software, e-commerce applications, and human-computer interaction. Soon, I will receive more certifications.
- Besides HTML, CSS, JS, and PHP, I also work with Java, Python, C++, and C#.
- I am also fluent in Python. I created various programs with it (you can check out my GitHub profile to see my projects).
- I created games from scratch and various apps or programs.
- I am a front-end developer and learning back-end to become a full-stack developer.
- As a curious programmer during the lockdown, I began learning system penetration with Kali Linux.
- With the help of a fellow programmer (a good friend), I worked in Dubai for a month with him as a penetration tester.

Multi-instrumentalist - Musician

[1 Jan 2010 – Current]

City: Arad/Timisoara | **Country:** Romania | **Business or sector:** Arts, entertainment and recreation

- I have been playing and learning music since I was five years old.
- I got into Berklee College of Music to study jazz and drums, but again, due to financial reasons, I couldn't go.
- I play the piano, drums, guitar, and bass guitar.
- I have played in various bands as a drummer or a piano player, competing at different jazz competitions and playing at jazz festivals across the country.
- I have quite a few collaborations with various musicians from other countries.
- Along with my fellow bandmates, I have won numerous prizes and diplomas (mainly first and second places) throughout the country.
- I also write and compose music, then record and mix it in my homemade music studio.
- I also worked in a recording studio, helping in any way possible. I started by carrying the cables and unloading the equipment from the cars, and I ended up helping the main sound engineer mix or record songs. I wasn't paid much, but it was a very appreciated and helpful experience.

Member of parliament

Natioanal Liberal Party [14 Sep 2017 – 10 Jan 2020]

City: Arad | **Country:** Romania | **Business or sector:** Human health and social work activities

- I am a former member of the National Liberal Youth.
- Together, we took part in many volunteering actions.
- We have been involved in various actions at several fairs or festivals. We had to clean tables, throw out the trash, help unload the equipment, assemble it, and so on.
- We shared flyers all around the town and even in the nearby villages.

Theater performer

[1 Sep 2015 – 1 Mar 2017]

City: Arad | **Country:** Romania | **Business or sector:** Arts, entertainment and recreation

- I took acting classes for three years and graduated from the Traditional School of Arts' acting course.
- I acted in different plays with the theatre band nationwide during those years, competing and winning.
- I learned how to memorize and recite a text in front of an audience and how to deal with my emotions.
- I did win some diplomas and prizes over the period I activated as an actor.

Photographer and Videographer

[9 Jun 2017 – Current]

City: Arad | **Country:** Romania | **Business or sector:** Arts, entertainment and recreation

- I also practice photography and videography.
- I started by taking pictures of different flowers or objects and then experienced portrait photography.
- In my free time, a couple of friends and I used to hang out and make different vlogs of spending the day together, skating, and having fun.
- Because of my photography and videography skills, I started learning skills in Adobe programs like Lightroom, Photoshop CC, Premiere CC, and Illustrator.
- I primarily work with Premiere to create my music videos.
- I can do the job if needed.

Language Awards - English

City: Arad | **Country:** Romania
